
Fordell School

Enrolment Scheme Information

Fordell School has an enrolment scheme in place to avoid overcrowding. This was approved and put in place by the Ministry of Education 2022 and is reviewed annually.

This means that any student living in our zone is automatically able to attend Fordell School at any stage.

For information regarding the zone please contact Fordell School. You can register your interest at any time for out of zone students.

We regularly run an enrolment process for out of zone students, generally once a term.

Each year a special advertisement is placed in the local newspaper in September advertising the out of zone spaces available for the following year.

Parents/caregivers and whānau can register their interest at any time.

Please have a look at the enrolment zone map and information also in this folder.

We welcome your enquiries and we can be contacted at:

officeadmin@fordell.school.nz

or phone 3427828

for an enrolment form and further information.
