Welcome to term 3. It is hard to believe we are now into the second half of the year. It sounds like everyone has had a fantastic two week break. A huge thank you to Karen Sewell and Cath Cranstone for taking the hockey team to be part of an Under 11s hockey tournament last Friday. I thoroughly enjoyed the game I saw, great hockey skills, great team skills and awesome kids. It was a day thoroughly enjoyed by the team, thank you to all the families who also supported on the day.

I am sure you will have noticed that over the holidays a lot of time has been put into bringing some life back into our gardens. Thank you to Maree Pullins (Jack's Nana) for all her hard work that has gone into these gardens. These are going to look "Fordellastic" as everything grows and spreads out.

Over the holidays the Fordell teaching team spent some time looking at the use of data to inform teaching and areas to target. Teachers are always happy to talk and share with you how your child is progressing, so please feel free to ask anytime – you don't have to wait until interview time.

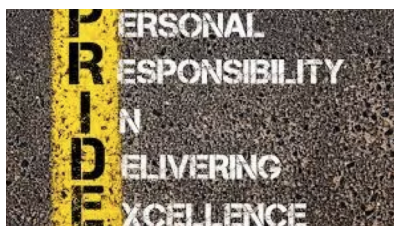

As this is a short term, 9 weeks, and we have Mathex week 7, Year 7 & 8 camp week 8, Cluster Speeches week 8, and the Fordell School Production during week 9 we will have our 3-way conferences at the start of term 4. This will be followed up by a written report at the end of term 4.

Remember to grab a group of friends and come to the **Fordell Ball "The Great Gatsby" on Saturday 13 August**. You can purchase tickets from the school office and Liquorland Wanganui. The Fundraising committee has a fantastic night planned. Get in quick before tickets sell out.

- Yvette Moorhouse, Principal
