

Fordell Flyer

Our Vision: Community partnership creating confident connected life-long learners.

Tēnā koutou, nau mai, harere mai. Welcome to our second Fordell Flyer for 2018. I am going to start this Flyer off with saying what a privilege it was to take our Year 7 and 8

students to the **2018 Cluster Leadership Camp** at YMCA Camp Raukawa last week. Fordell School is proud to again have a wonderful group of talented and amazing young leaders who are fantastic role models for our younger Fordell students. The focus of Leadership Camp is to grow and

further develop leadership skills, show **Courage** and **Resilience** when tackling physically challenging activities and the importance of working in teams. All our wonderful students certainly displayed and achieved all of these goals. I am excited about seeing them in their leadership roles as the year progresses. Well done Year 7 and 8s, what a fantastic start to your 2018 Leadership journey. More from these students over the page.

A Valued Board Member: Cath Cranstone has been a valued and fundamental member of our Board of Trustees for 9 years. During the February meeting Cath stepped down from the board. She will continue to be a part of our school community and all the other fabulous events and activities we do. Thank you for your commitment and time on the Board Cath, we have all enjoyed and valued working

alongside you on our Board.

Thank you Sharron: On Wednesday we had a wonderful farewell for Mrs Sharron Phillips who has been a part of our Fordell team for over the past 6 years as both a parent and in teacher aiding. She will be putting her focus into her teacher training as she heads into the second year

of her study. We thank you Sharron for all that you have done in your many roles from parent help to teacher aiding to netball coaching to basketball coaching to art and back drops for the school productions. We all wish you the best with your studies.

Fordell School Swimming Gala: Friday 23 February is the annual Fordell Swimming Gala. This is a time where you can see the progress your child has made during swimming and of course the annual swimming races where students compete for the Fordell winning places. The start time is 1.15 at the Fordell Pool. We all look forward to seeing you there.

Have a fordellastic weekend.

Ngā mihi

Term One Summer Sport – 2018

Great news – this year, Fordell School has combined forces with Kaitoke, Mosston and Westmere School. This has enabled us to offer 4 Summer sports:

Teeball (Under 7s)

Kiwi Cricket (Year 3-4 and a Year 5-6 hard ball team)

Hockey (Year 3-4 and Year 5-8)

We are still awaiting confirmation to find a team for some keen Year 7 and 8 Touch players.

Please note the date your Sport starts:

- **Kiwi Cricket** – Friday 16 February meeting at 5.15, Vic Park
- **Teeball** – Saturday 17 February, 9am diamond 4 v St Johns,
- **Hard Ball Cricket** – Saturday 17 February
- **Hockey** – Thursday 22 February

Camp Raukawa

2018 Leadership Camp

On Thursday and Friday of week 2, the year 7 & 8's of Room 1 went to leadership camp at Camp Raukawa. We went with all the year 7 & 8's from the other schools in our cluster. These schools were Kaitoke, Upokongaro, Okoia, Whangaehu, Mangamahu and Aberfeldy. Camp Raukawa is located 45km into the Paraparas and is surrounded by the Whanaganui River.

At leadership camp, we did many fun activities. On the high ropes course, there were three different ways we could climb to a wooden beam. I did the two easier ways. Another thing was the obstacle course. Sometimes we raced against each other and sometimes against the clock. Some of the obstacles were tyres you had to run through, zigzag through poles, a balance beam and a wall you had to climb or jump over. The flying fox was fun. We played "Quidditch" on the flying fox. We had to take a ball with us on the flying fox and throw it through one of the hoops that we past to win points. For the Burma trail, we paired up. One person was blind folded and wore a helmet. That person held a rope, which lead them through the forest. The other person guided them warning them if there were any trees in the way. My favourite activity was the waterslide. It goes down a hill and you land in a small pool of water, which I don't suggest drinking. If you went from the top, you went really fast, and the splash is massive!

The purpose of leadership camp was to make new friends within our cluster and to build on our leadership skills. I certainly made lots of new friends and saw some people I already knew. Everyone improved greatly on their leadership skills and I am sure we will have great house leaders for 2018.

I really enjoyed leadership camp along with everyone else.
