

Fordell Flyer

Community partnership creating confident connected life-long learners.

Tēnā koutou, nau mai, harere mai. It is hard to believe we are nearing the end of Term 2 - half way through the school year. Mid-Year Learner Reports will be coming home on Wednesday Week 10 where we share the achievements your child/ren have made during the first half of this year. In Term 3 we will have Student Led Conferences - where these reports and student progress can be discussed more in depth. In the last Fordell Flyer we included a piece about how to read your child's report - if you are still unclear please see your child's class teacher.

Fordell School Learning Muscles The 4Rs - these are our Key Competencies and are about students not just learning how to learn but learning how **THEY** learn best. Our 4Rs are: **Resourcefulness, Reciprocity, Resilience and Reflectiveness**. This Flyer I will explain the muscle of **Reflectiveness**. Reflectiveness is being ready, willing and able to become more strategic about learning. This muscle is made up of:

- o Planning: Working learning out in advance.
- o Revising: Monitoring and adapting along the way.
- o Distilling: Drawing out the lessons from experience.
- o Meta-learning: Understanding learning, and yourself as a learner.

An example of this Learning Muscle in action is the Soap Box Derby Cars that Room 2 learners

designed, created and revised before coming up with their final Derby Car to compete with. Using all 4 Learning Muscles throughout this process - kai pai to mahi Fordell students.

Reflectiveness

- I reflect on my learning.
- I think creatively and critically.
- I am curious about the world and ask questions.

School Finishing Early - Thursday 28 June, Week 9, Fordell

School will be finishing at 1.30 so that teachers can attend the Union Meetings that are being held. The first bus will run at 1.30. We thank you for supporting the teachers so that they can attend this meeting.

Book Fair and Science Week - Starting on Monday and running for Weeks 9 and 10 there will be a Book Fair in the office. This is part of **Science Week** - which officially runs during **Week 10**. Science Week is a week packed with everything

centered around science - reading, writing, maths... Science Week will include Science Fair Experiments on display (students have been busy working on these and learning about how to conduct their own experiments), science experiments, a house challenge and on the last day of term we encourage everyone to come dressed up with a science theme.

Values Morning Tea with the Principal

Congratulations to the following students who were drawn from the Fordell Values Draw to have a delicious morning tea with Mrs Moorhouse.

Week 8

Hudson Spetch, Pippa Buchanan, Sophie Cranstone, Catie McGregor, Greta Gill, Danielle Houlahan, Izrael Nahona-Osbourne, Ashleigh Dickson, Max McGregor, Tatum Williams.

Have a Fordell fantastic next two weeks. Ngā mihi

- Yvette Moorhouse, Principal

Term 2 Week 6 in assembly we celebrated

awards:

Senior Hub

Heike Reistma for always leading by example.

Hamish Cranstone for working through the technological process in an outstanding way.

Junior Hub

Greta Gill for building her resilience when facing challenges.

Kindle Alderton for always showing a growth mindset in regard to her learning.

Value Badges: Values – Eddie Wright

Fordell Value Awards: These students have received a certificate for displaying the school values on a consistent basis. Congratulations to the following Fordell School students:

Mason Gardiner, Charlotte Pullins, Olivia Gordon, Izrael Nahona-Osbourne, Eddie Wright, Scott Hughes, Nathan Vincent, Duncan Mackintosh, Angus Sewell, Blake Sollitt, Lennox Brotherton, Coby Fulton, Sienna Rossiter.

Term 2 Week 7 in assembly we celebrated

awards:

Senior Hub

Caleb Houlahan for being enthusiastic and positive towards others and about his learning.

Hazel Ross for her positive and outstanding attitude towards her learning.

Junior Hub

Angus Gordon for enthusiasm and a great attitude.

Mekah Hayward for excellent participation during maths learning.

Value Badges: Bronze – Angela Pritchard

Fordell Value Awards: These students have received a certificate for displaying the school values on a consistent basis. Congratulations to the following Fordell School students:

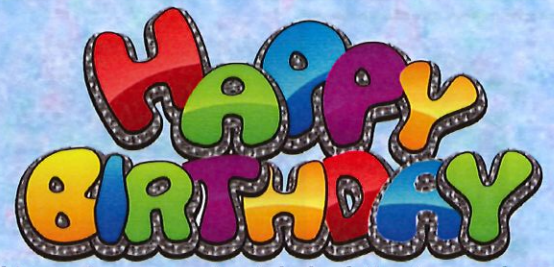

Scarlett Prussing, Keegan Spicer, Kindle Alderton, Angela Pritchard, Daniel O'Neill, Toby Gill, Matthew Grice, Janke Venter, Nicholas Morton, Jesse Greenwood, Danielle Houlahan, Annabel Dwyer, Kyle Dickon.

Head Lice

There has recently been a case of head lice identified at school and we wanted to make sure you were kept informed. While lice are nothing more than a nuisance, it is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they are allowed to spread too far. Please check your child/ren's hair and treat if they have any head lice or eggs, remember to re treat again in 7 -10 days.

This week we warmly wish the following students a happy birthday:

Matthew Grice – Sunday 17 June
Kiana Te Kahika – Sunday 17 June
Hamish Cranstone – Saturday 23 June
Greta Gill – Saturday 23 June
Charlie Ross – Monday 25 June

Kyle's Jokes

A man walked into a chimney store and asked, "How much for this one?" The salesman replied it's on the house.

A man stole a bar of soap from the corner store. The police said he made a clean getaway.

Did you hear about the crime that happened in a parking garage? It was wrong on so many levels.

Pirates make terrible singers, because they can't hit the high seas.

Ag Week

Term 4: Tuesday 23 – Friday 26 October

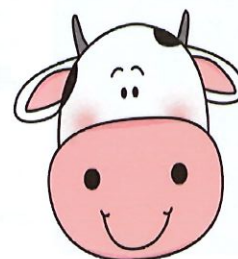

Mycoplasma Bovis

Due to the current bio security risk of mycoplasma bovis, and following the advice of MPI, we won't be including calves at this year's Ag Day. However, we do have a number of sheep farmers who are very willing to provide orphan lambs to any child keen to raise one for Ag Day. Please contact the school if you have any questions or would like to go on the list for lambs. We hope this situation will be resolved in the

near future so we can get back to running things on all cylinders. For more information on mycoplasma bovis, go to the website:

www.mpi.govt.nz

Union Meeting for All Teachers on Thursday 28 June

The teacher's union, NZEI, will be holding a second paid union meeting on **Week 9 Thursday 28 June** at 2.00 for all teachers to attend.

So that our teachers can attend this very important meeting **it would be appreciated if you could collect your child/ren at 1.30pm. Thursday 28 June (week 9).** The first bus will run at 1.30. If you are unable to collect your child/ren please let the school know.

The focus for this campaign is **"Its Time"** or **"Kua Tae Te Wa"**. This campaign will focus on seeking significant investment into the education sector to address key issues that affect all of our children.

Dawn Taiaha Wananga

What: Introduction into the history and origins of **Mau Rakau.**

Date: Friday 14 September – Sunday 16 September 2018
Venue: Ratana Paa
Time: 3.30
Cost: \$30 per person
Criteria: Males only, must be 9 years and older.

Crop Circles

Waking, I hear a loud buzzing noises. I jump out of bed and out of the window. I see an extremely big ship with flashing lights on the bottom of it and steam coming out of the sides. The massive ship lands.

A whole lot of green ugly things pile out of it. One of them was carrying a big long rope. I went to get my shotgun but when I got back ten minutes later they were gone.

Interschool Hockey at Gonville Turf

Tight Rope Walking

Don't look down! Don't look down! I carefully place my delicate high heels onto the swaying slack-line. My body rapidly shakes as a surge of fear washes over me like waves on a beach. I contemplate why I accepted this idiotic challenge. While slowly walking forward, I have to stay optimistic.

The crowd cheers as I get closer and closer to the end. Twang! Silence... no click of the harness. Wait. What? I open my eyes, "Oh my god!" I take my final breath.

MEAT AT YOUR PLACE OR MINE

GROWTH MINDSET in Room 4

In Room 4, we have been learning about changing our mindset from a fixed mindset to a growth mindset.

We have been doing this by watching Mojo on Class Dojo and by completing growth mindset tasks with a buddy.

One of the things we have learnt is the power of **YET!** For one of our tasks, we had to write a sentence and then add the word yet to the end of the sentence. This shows that with anything we can't do, we just can't do it **YET!**

By Sophie Cranstone and Daniel O'Neill

What I have learnt so far ...

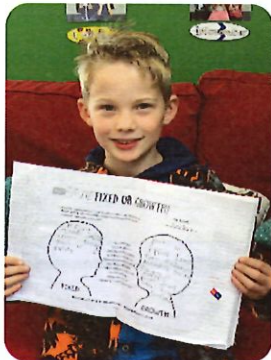

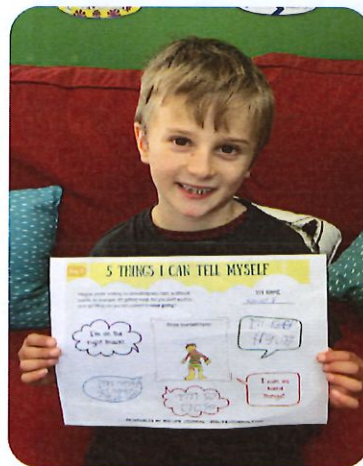

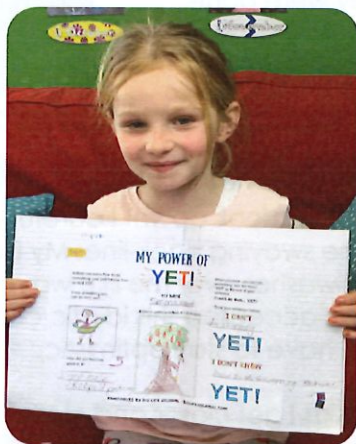

I have learnt that it is ok to make mistakes because that is how we learn (*Livi Gordon*).

A growth mindset is knowing that I can't do it - **YET!** (*Hamish Perkins*).

It makes the world a better place because people try their best and don't give up (*Patrick McCartie*).

If you keep trying then you can get better than you were before (*Xavier Gardiner*).

When I'm stuck on something then I don't give up because it just means I just need to work my brain (*Izrael Nahona-Osbourne*).
