# Fordell Flyer

Community partnership creating confident connected life-long learners.

Tēnā koutou, nau mai, harere mai. Here we are in Week 8 of term three, the year is sure zipping on by. The next two weeks are going to be busy especially with the **school production** in Week 10. Please note we are trialing something different this year with two evening performances - Wednesday 26 September and Thursday 27 September, show starting at 6.00pm. We are also having our 'matinee' one on Wednesday 26 September starting at 11.00am. A notice has come home in regards to costumes - please check to see if you can help and let Mrs Percy know.

## Cluster Cross Country - A fantastic effort by Fordell at the annual Cluster Cross

Country. We took over half the school to this event and had many high finishing places - which meant that Fordell School won the cluster Cross Country Cup for 2018. A huge thank you again to whanau for supporting students and staff in this event. We wish all our students who will be representing Fordell School in the Interschool Cross Countries good luck - Aranui Interschool Cross Country is on Tuesday 18 September and the Intermediate Interschool Cross Country was on Thursday 13 September.

## Fordell School Ag Week Term 4 Week 2 - Ag week will be Week 2 of Term 4. Pet

Day will be on Thursday 25 October and Lamb and Farm Challenge Day Friday 26 October. Due to the Mycoplasma Bovis risk we will not be having calves at school, however if you are raising a calf we have an IT solution for you so you can still share your calf - please see the teachers about this. If your family would like a lamb to raise for this event, please contact the school office - we have farmers with lambs available. Please return all 2017 cups to the school office.

Enjoy a fordellastic weekend. Ngā mihi nui

## Nga Hekenga - Journeying

In Room 4 this term, we have completed a project about how our families have come to live in Whanganui.

This project involved talking to our families about our history and heritage. We also made a model waka to remember these family journeys. This project was completed as a homework task.

### *What I enjoyed about this project ...*

That I got to spend time with my dad when I was making my waka  
(Korbin Gabbott).

I am really proud of my waka that I have created  
(Izrael Nahona Osbourne).

That it involved my family when I found out information and made my waka  
(Emily Mackintosh).

Researching who was the first person in my family that came to New Zealand  
(Emma Vincent).

# We Need Your **HELP**

Fordell families, the Fundraising Committee will need your help before and on the day of the Garden Ramble. Help is needed in the forms of a small amount of gardening before the big day, helping on the day with directing parking, handing out packs, baking for the baskets etc. **There will be a form coming home on Monday, please indicate how you can help.** This a great fundraiser that supports all our Fordell students with proceeds going towards updating our IT equipment.

Exciting ☺
