

Friday 28 September 2018, Term 3 Week 10: No.16

Fordell Flyer

Community partnership creating confident connected life-long learners.

Tēnā koutou, nau mai, harere mai. Here we are at the end of a very busy Term 3. Firstly, on behalf of all the staff I would like to say **thank**

you to Cath Cranstone for the huge amount of time she has given during the Fordell Production. Her never ending enthusiasm and ideas were greatly welcomed and appreciated. Thank you Cath! I would also like to **thank all the Fordell Staff** - Miss Morrison, Mr Johnston, Mrs Clow, Mrs Percy, Juanita, Paula, Mr Gaisford and Whaea Lisa - they have spent many hours not only working with students but behind the scenes sourcing and adjusting/making/creating costumes, props, music, scenery, script adjusting and the list just goes on. **Thank you to all our families** for helping out before and on the night - without your support these productions wouldn't be possible. Lastly, **thank you and well done to the talented 95 Fordell School Students - WOW!** You all continue to amaze us all with your **Courage** - showing confidence by getting in there and trying new things, **Responsibility** - being committed, **Respect** - ensuring you support each other by letting them learn their roles and parts, and **Compassion** - working as a team and showing immense pride for Fordell School. Well done on another outstanding performance Fordell School - you are awesome!

Interschool Cross Country - Over the last two weeks we have had talented students go up against some tough competition in the annual Interschool Cross Country events: Intermediate Cross Country and Aranui Interschool Cross Country (primary). All our students showed outstanding performances and excellent placings.

Congratulations to Heike Reitsma for 3rd place in Year 8 Boys, Hamish Cranstone for 1st place in 10 Year and Over Boys, and Maks Reitsma 1st place for 9 Year Old Boys and Under. The rest of our talented student placings are on page 3 of the Flyer.

Annual Cluster Speech Competition - What an

exciting and entertaining evening we all had on Thursday 20 September at the annual Cluster Speech Competition at Kaitoke School Hall. The speeches from all schools were entertaining and of a high quality, making it a very

tough competition and very tough on the nerves for both students and their families. **A huge CONGRATULATIONS to Lennox Brotherton for winning 1st Place Year 7 & 8 and Thomas Dwyer for winning 1st Place Year 5 & 6.** Both boys did an outstanding job presenting their speeches and Lennox for his entertaining and well thought out on the spot impromptu speech.

AG Week Week 2 Term 4

AG week is week 2 of next term. A note has come asking you to please list what animals you will be entering; this needs to be returned to school. It sure is a great week where we celebrate being a rural school.

Throughout the week every student takes part in the Young Farmers Heats and art and craft activities.

Thursday 25 October – Pet Day

Friday 26 October – Lamb Show, Young Farmer Finals, House Challenge, Annual House Bake Off Challenge and art and crafts display. All family and friends are invited to join us.

Due to the Mycoplasma Bovis risk we will not be having calves at school, however if you are raising a calf we have an IT solution for you, you can still share your calf – please see Miss Morrison about this. If your family would like a lamb to raise for this event please contact the school office – we have generous farmers with lambs available.

Life as a single child is better than having older brothers!!

One brother for sale

One brother for sale

One crying and spying old brother for sale I'm really not kidding,

So who'll start the bidding?

Do I hear a dollar?

A nickel?

A penny?

Oh isn't there, isn't there, isn't there, any one kid who will buy this older brother
for sale this crying and spying older brother for sale?

Do you have an older brother? Does he make you late to school in the morning? Do you get cold showers because of him? Well imagine life without him. Imagine getting your parents all to yourself and they won't have to leave you with your grandparents because he's going away on a hockey trip and your mums managing the team and your dad wants to go and watch him.

Without an older brother you would be able to go away on holiday more because it wouldn't cost as much. It would be so fun!! You could go to lots of theme parks like wet and wild and Dreamworld. You would get all of the attention.

Older brothers can get really annoying to. They like to be really nosy and always ask you, "What are you doing?" They steal all your stuff and give nothing back in return. It's not fair! With no older brothers there won't be someone watching every move you make.

How annoying is it when you're cold and you really want a hot shower but your brother has used up all the hot water. He just laughs at you because you're as cold at Antarctica. It's not funny!

Once he tried to sell me but it didn't work. I was lucky that day. My mum caught him when she was looking on trade me. I don't know what she was doing looking at kids though, maybe she wanted to sell my older brother.

As you can see older brothers are annoying, nosey, expensive and mean. Life as an only child would be much better!

Except on days when you are sick and he looks after you.

We Need Your HELP

Fordell families, the Fundraising Committee needs your help before and on the day of the **Home and Garden Ramble, Saturday 10 November**. Help is needed in the forms of a small amount of gardening before the big day, helping on the day with directing parking, handing out packs, baking for the baskets etc.

A note has come asking for your help, please indicate how you can help and return this to the office. This is a great fundraiser that supports all our Fordell students with proceeds going towards updating our IT equipment. Exciting ☺
