

Fordell Flyer

Community partnership creating confident connected life-long learners.

Tēnā koutou, nau mai, harere mai. Welcome back to the final term of the 2018 year. For our Year 8 students this will mean coming to the end of one journey and the

starting of a new one. I am sure they will continue to take up all opportunities during the coming weeks of this term. They sure have been an outstanding group of students throughout their time here at Fordell School.

As you will have noticed our Flyer is coming home a day early, this is due to it being Ag Week and Friday being the very busy and exciting day of the year where we truly embrace and celebrate that **Fordell School is a rural school with an amazing farming community.** This wonderful learning comes under our Strategic Goal 1: **Rich Curriculum.** We would like to thank the many helpers who continually support us in making this such a memorable and fun day. Keep an eye out for photos from this week on our Fordell School Facebook page and our Fordell School Website: www.fordell.school.nz

Farewell and Thank You Mrs Percy - Mrs Percy has been a wonderful addition to our teaching team bringing many strengths and talents and it is with sadness that we inform you that she will not be returning for the 2019 school year. Mrs Percy is going to spend some family time supporting her husband in their business. However, she will not be a stranger and we will see her here in a relieving role. We wish Mrs Percy all the best and thank her for this year. We have begun the exciting process of looking for a new teacher and we will let you know who this is at the end of the process.

Wearing Sunhats - With the weather certainly warming up please ensure your child has their **school sunhat everyday** to wear at school. If you need to purchase a school hat these are available from the school office.

Fordell Home and Garden Ramble -

This is coming around quickly - Saturday 10 November 10 - 4pm. **Thank you** to the families who have already indicated how they can help the Fundraising Committee on or before. If you are able to help out on the day, please let the school office know. For those that are wanting to purchase **tickets** they are **selling fast**, we wouldn't like you to miss out. You can pay at the school office (\$35) or email fordellramble@fordell.school.nz. A delicious picnic hamper can be purchased to take with you on the day for \$15 per person. **Tickets will be on sale on Friday during Ag Day.**

Year 7 and 8 Speech

Competition - Fordell was well represented in the Intermediate Speech Competition by Lennox Brotherton and Katelin Perkins. Both students certainly

showed all our 4 values and **presented wonderful speeches.** Well done to them both. This experience will certainly have helped you with next year's speeches.

Have a wonderful next two weeks.

Ngā mihi nui.

Fordell School PB4L-SW – Positive Behaviour for Learning

Fordell School PB4L-SW Purpose Statement

The purpose of PB4L-SW(Positive Behaviour for Learning School Wide) at Fordell School is to further enhance our culture of a safe and positive learning environment where relationships are valued. The Fordell Values are our school-wide expectations for behaviour and learning, and are deliberately modelled, taught and acknowledged.

As you will know this year Fordell School has started the exciting journey of PB4L. We have been Tier 1 this year, which has meant a lot of new learning for all of us. Part of this new learning has included reviewing our school values so that have become portable for all learners and families at Fordell School. Values are the cornerstones for us at Fordell School, they are our expectations, our expected behaviour. We have taken our values and created what this would look like in all settings – this ensures consistency throughout our school. We then teach our students these expectations in each setting, rewarding students when we see them following the expectations.

We would like to start sharing our Expected Behaviour Matrix with you. Here are 4 out of 10 of our expectations in settings around Fordell School:
