

# Fordell Flyer

Community partnership creating confident connected life-long learners.

Tēnā koutou, nau mai, harere mai. Welcome back to another exciting school year and a warm welcome to our new families; McLeay, Simpson, Gilberd, Glasgow and Auken families. We have many new faces around Fordell School, I know you will introduce yourself and support them in feeling welcome. Our school roll is currently 92.

On behalf of the staff we thank you for coming back to school with your child's learning equipment ready to go. It is always a great idea to make use of the fantastic sales that stationery shops offer at this time of the year. If you are still to get your stationery, lists are available from the school office or your child's teacher. *If you do use Warehouse Stationery, please tell them you would like to support Fordell School.* All purchases from stationery to office equipment to paper (anything) counts. You can do this at any Warehouse Stationery shop throughout New Zealand ongoing all year.

**Thank You** - At the end of 2018 we had a visit from PGG Wrightsons Whanganui who held a horse trek in our area. We thank them for the donation of over \$1400. Thank you to Cath and Mike Cranstone for hosting this event over their farm. We would also like to acknowledge and thank Bayleys Reality for their support during the Home and Garden Ramble. They have continued to support Fordell School by donating \$500 from every house sale where the vendors have mentioned Fordell School. Thank you to the vendors for mentioning us. Bayleys have donated \$1,000 since we have been back at school. If you know of anyone selling this offer is ongoing, so please mention Fordell School. We would also like to thank Toyota Wanganui, BNZ Wanganui and Honest Kitchen for also generously supporting Fordell School during the Home and Garden Ramble.

**Year 7&8 Technology 2019** - As mentioned last year Fordell School Year 7 and 8 students will be going to Cullinane College for technology. This will be every Thursday morning (exact times will be confirmed) all year. We feel this sets them up with better skills for heading into their secondary education. The programme includes food technology, soft materials, science, music and dance.

**Picnic in the Park** - We look forward to

seeing you all for the *Fordell School Picnic in the Park tonight. It starts at 5pm on the school field. Bring your picnic and join us for some Fordell*

fun. This is a great opportunity for everyone to catch up after the holidays and to meet our new families who have joined Fordell School.

**Education Review Office** - We have received notification from the Education Review Office that they will be at Fordell School starting the week of 11 March. They will be evaluating the outcomes for learners and the school conditions that support ongoing improvement in learner outcomes.

Ngā mihi nui.

-Yvette Moorhouse, Principal
