## THE 4Rs

Our Learning Muscles  
How we do things around here

- **Resilience**
- **Reciprocity**
- **Resourcefulness**
- **Reflectiveness**

*Tēnā koutou, nau mai, harere mai. I would like to start of this Flyer with saying what an amazing community we have – this has been so evident during all the changes that keep coming due to Covid-19. Our students have really shown their resilience during these times and show what amazing young people they are with their continuous positive attitudes and outlooks – they are a true credit to all you parents and family who are raising amazing kids!*

*What a fun two weeks it has been since the last Fordell Flyer – and just like normal Fordell fashion we like to make the most of all opportunities that come our way. Here are a few snapshots from over the last two weeks: book week character dress up day,*

*schoolwide hockey skills with Jan Dixon, Junior Hub trip to the Whanganui Museum and Library, Ballroom Dancing for all our Year 5-8 students and Fordell School Cross Country. The results will be in the next Fordell Flyer for the Cross Country and certificate presentations at next week's assembly. **Teacher Only Day** - Last Friday the staff spent a very full on day of learning. This was based on strengthening and adding to our knowledge and*

*understanding of assessing students to the New Zealand Curriculum expectations. This joint knowledge will ensure we are consistent in our judgements and use of assessment tools. We will be continuing on this learning journey for the remainder of the year. Please note there is a **second Teacher Only Day planned for Term 4 Week 6 Monday 16 November.***

***Let's Read More** – Research is saying that children are reading less than ever before; that just a quarter of under 18s read each day! This highlights the importance to bring back the joy of reading, which was a huge part of our recent Book Week. As parents we can model reading by reading to and with our children, make a special time of the day to read, find things that interest our children and read them together. Encourage your child to share a book/story/article they have enjoyed with us at school. ☺*

## We Pledge to Read

We promise to read  
Each day and each night.  
We know it's the key  
To growing up right.

We'll read to ourselves.  
We'll read to a crowd  
It makes no difference  
If silent or loud.

We'll read at our desks  
At home and at school.  
On a bean bag or bed  
By the fire or pool.

Each book that we read  
Puts smarts in our heads.  
'Cause brains grow more thoughts  
The more they are fed

So we take this oath  
To make reading our way  
Of feeding our brains  
What they need every day.

*Ngā mihi nui. - Yvette Moorhouse, Principal*

## Fordell School Property Upgrade

We are all super excited to let you know that starting in the next week we will be beginning our Fordell School property projects. We have two areas that are being upgraded and will be done in two parts. The first part is the modernising of our library and staffroom block. We are all looking forward to this as the plan is to take out walls and create a bigger space for us all to fit - especially when we have community meetings and get together. This will mean that the school library is currently closed and this whole block will be unavailable to anyone while the builders are working there.

The second part of our property upgrade is Room 4. This work will start once the library/staffroom block are completed. While the work is being completed in Room 4 they will relocate to the newly upgraded library/staffroom block. Room 4 will be having some walls moved, windows added and an opening out to a very large outside covered deck, along with fresh painting and wall coverings. It is going to look AMAZING!

The building sites will be fenced off to ensure we keep all our students and visitors safe from any building hazards. All workers coming onto the Fordell School site will be following the Covid-19 requirements as put out by the government - they will be only in their area of the school.

# ROOM 3'S MUSEUM AND LIBRARY TRIP

The juniors had a great trip to the museum and the library. We learned about toys and games from the past, as part of our *PLAY TIME INQUIRY*.

We explored the museum and discovered many treasures. We enjoyed stories and a game at the library. We had a great time!

On Wednesday we went on the bus. We also went to the museum. By Maggie

# ROOM 4

Last week the junior hub went on a trip to the museum and library. It was a blast looking around and doing a scavenger hunt in the 'new talons and taxidermy' section. We also loved exploring all the museum had to offer and enjoyed looking at the 'toys and games' display which linked in with our enquiry 'play time'. Thanks so much to all the parent helpers who helped make it such a successful trip!

At the museum we looked at the stuffed animals. My favourite was the Tasmanian Tiger. It was my favourite because it was extremely cute and extinct. That is sad isn't it? After that we went to the library and played a giant game of memory and read a book that was called 'this book is red'. The book was very funny. It was the best trip.
