- **Speak** with and **show** respect.
- **Let others learn**.
- **Caring** for equipment and property.

Responsibility Kawenga

- **Ready to learn**.
- Be **committed**.
- Take **ownership** for my choices.

THE 4Rs

Our Learning Muscles
How we do things around here

- **Resilience**
- **Reciprocity**
- **Resourcefulness**
- **Reflectiveness**

Tēnā koutou, nau mai, harere mai. Well here we are at the end of Term 3 and what a great term we have had at Fordell School. We certainly have not let COVID get in the way of us having the rich learning experiences that we pride ourselves on. Some of the highlights over Term 3 have been: Interschool Netball, Fordell School Cross Country, Senior Hub Art Trip, Junior Hub Trip, Dance Lessons, Year 7 & 8 Camp, Whole School Speech Competition, Cluster Speech Competition, EPro8 Competition, Mountain Biking, In-School Hockey Skills, Whole School Values Trip, after school sport (that we could still take part in) and then of course rich learning in class. Our students have certainly shown great resilience and taken the positive approach of taking up all opportunities that come their way. I am certainly proud of all Fordell Students 😊

Cluster Speech Competition – Last Thursday was a fabulous evening with our cluster schools and their speech entrants. And WOW what amazing talent! It was a pleasure to see some of these young students really shine with passion and talent as they presented their speeches (secretly us adults were glad to not be sitting in the judge's seat). A huge congratulations to **Sophie Cranstone for placing 1st in the Year 5 & 6** and **Lennox Brotherton for placing 2nd in the Year 7 & 8**. You both were outstanding, and we were proud that you were representing Fordell School.

Let's Talk About the Fordell Value of Compassion – At Fordell School our 4 Values are the cornerstone of who we are and how we act. I am really proud of how our students at Fordell really model the Value compassion by accepting and supporting each other, this is often

displayed when we have whole school activities where you will see students out there encouraging and supporting each other to tackle challenges. As we all know **not everyone is equal and some of us need more time, more empathy and support than others** – together we are a strong team and together we can help create the best a person can be! As a parent myself, recently I stood on the sport sideline and witnessed some very poor display of this value which made me reflect that it is important as parents to remember that **you are the real role models for your children**, they learn and are guided by how we as parents behave and act around others, how much we

show compassion and respect e.g., how we model saying kind and encouraging words. This is shown not only through our words but also our actions. If anything, this year COVID has taught us the **absolute importance of being kind – showing compassion! Kia atawhai – be kind!**

End of Winter Sport – It sure has been a stop start for Winter Sport, however with the end of netball and hockey this week I would like to say a huge **thank you to all our coaches, managers and supporters**. Without you all we wouldn't be able to have the large numbers and success in sport that we have. **THANK YOU!** Term 4 Summer Sports starts next term.

Lastly have a wonderful two-week break, I know the staff will be busy planning and creating a last term of rich and engaging learning and of course fun! Keep an eye on the dates column so you don't miss things that are coming up – especially Pet and Ag Day in week 3. See you on Monday 12 October.

Ngā mihi nui. - Yvette Moorhouse, Principal

Compassion/Aroha

- Show **empathy**
- **Pride** for myself and school
- Work as a **team**

MEAT AT YOUR PLACE OR MINE

In room 4 our inquiry this term has been 'toys and games'. We have been using all of our learning muscles to invent and re-create games in groups which has been lots of fun. We then explored a new app 'book creator' and worked with a buddy to make an advertisement for our game. These are some of our creations.

MEAT AT YOUR PLACE OR MINE

Room 5 Camp 2020

Vertical Horizons

The Year 7 and 8s spent three days in Inglewood at the Vertical Horizons Camp. We challenged ourselves in a variety of ways including having a go on high ropes courses, archery, grass karts, flying kiwi and a mud run. We also enjoyed a glow worm walk, toasting marshmallows on the camp fire (and not much sleep, but heaps of fun!)
