

# Fordell Flyer

Community partnership creating confident, connected life-long learners.

*Tēnā koutou, nau mai, harere mai. It is hard to believe we are already at the end of Week 3. What an enjoyable evening it was for*

*the Fordell **School Picnic in the Park**. The weather really put it on as it was a beautiful summers evening for everyone to sit and enjoy their picnics, students playing sport, jumping on trampolines, digging in the sandpit, completing the scavenger hunt and of course chatting and catching up with each other. Thank you to everyone that*

*managed to come along, it is always a great low key start to the year.*

**Fordell School Swimming Gala and Cluster Swimming Competition – Friday 26 February, week 4, is our Fordell Swimming Gala at the Fordell Community Pool, starting at approximately 12.30 with the Junior Hub. This is an opportunity for you to see what your child has been learning at the pool – a mixture of swimming lessons, confidence, water safety skills and of a course a few races. The Cluster Swimming Competition is Friday 5 March, week 5. If your child is entered in races a note**

*will come home with the information. The racing for the Cluster Competition starts at 10.30am at the Fordell Community Pool. We would love help with running this cluster event.*

**Fordell Lowdown 2021** – This is what we have instead of “Meet the Teacher” at the start of each year. The date for this will be **Wednesday 24 March, week 8**. We will be holding two sessions, you can either participate in the after school or the evening times. These sessions will start with each team, Senior and Junior Hub, sharing information about how classes run, planned programmes, activities and of course expectations. It will then break into classrooms where your child can talk you through their learning and social goals and share class work. Their class teacher will rove around the room making contact with you. On your child’s goal sheet there will be a section where you can also share a goal or expectation for your child. You can also indicate if you would like to make a further 1-1 time with your childs teacher – this could be either face to face or a phone call. **Your child will need to attend** as they will be explaining their goals and classwork. Closer to this date a notice will come home with more information.

## ROOM ONE ART & LITERACY

After listening to Donovan Bixley's re-telling of how Māui fished up the North Island, Room One students have been flexing their resourcefulness learning muscles by visualising the North Island as Te Ika a Māui (the Fish of Maui). Here is some of our work.

**Check out the Room 4 deck! The tradies have been working extremely hard to have this project completed for us to use.**

# ROOM 6 NEWS

Room 6 has had a busy start to the year. We started the term off by setting our class treaty and learning about the Treaty of Waitangi.

For maths we have been learning some games to help us practice place value.

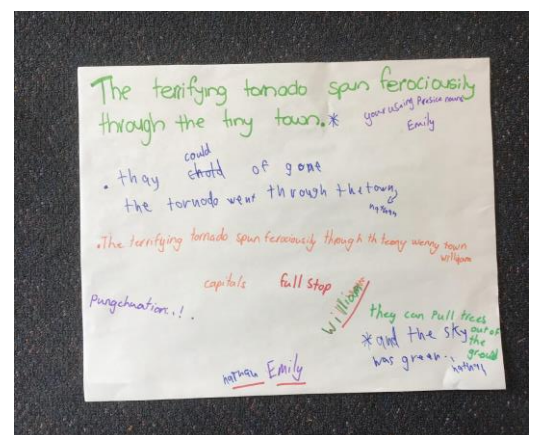

This week we are learning all about sentences and using mentor sentences to help us with this. We can name the different parts of our sentences and what they tell us. We have also been learning about nouns. We created word clouds to show different nouns.

Scan the QR code to view our other word clouds

Working on our sentence with a buddy.

What we noticed about the sentence.
