- **Ready to learn**.
- **Be committed**.
- Take **ownership** for my choices.

## THE 4Rs

Our Learning Muscles  
How we do things around here

- **Resilience**
- **Reciprocity**
- **Resourcefulness**
- **Reflectiveness**

Tēnā koutou, nau mai, harere mai. Well, the last two weeks have sure shown a change in the weather as winter is nearly upon us. With the colder weather please make sure your **child has warm clothes** for when they are outside. Please remember to **NAME your child's items** so that we can return them if they are left around the school. The Lost Property Box already has a large amount of items in it – please have a look when you are in school.

**Adrenaline Forest** – Last Tuesday as part of the Year 7 & 8s Tuia Challenge they tackled the Adrenaline Forest with their Fordell Courage. It was an absolute pleasure to be part of this trip with these students. They all showed an amazing amount of Resilience as they tackled the many

challenging obstacles as well as the heights in the trees – not to mention the wind they battled on the day. The Compassion and support they showed for each other was

outstanding and noticed by all the adults there – well done Year 7 & 8s you are amazing young adults. For more photos, please look at the Fordell School

Facebook Page under the album: 2021 Year 7&8

Adrenaline Forest folder.

**Pink Shirt Day** – Friday sure was a fantastic day that was full of PINK as we supported the initiative of anti bullying:

**"Speak up, Stand Together, Stop Bullying. Kōrero mai, kōrero atu, mauri tū, mauri ora."**

This sits well with our Fordell School Restorative Practices. Restorative Practice is a relational approach to school life grounded in beliefs about equality, dignity, mana and the potential of all people.

Have a fantastic weekend –  
Yvette Moorhouse, Principal.

## Fordell School Board – Casual Vacancy –

A casual vacancy has occurred on the school board for an elected parent representative.

**The board has decided to fill the vacancy by selection.**

If 10% or more of eligible voters on the school roll ask the board, within 28 days of this notice being published, to hold a by-election to fill the vacancy, then a by-election will be held.

Request for a by-election should be sent to:  
 Presiding member Linda O'Neill  
 Fordell School Board  
 Budge Street Fordell  
 by: 25th June 2021, 3pm.

## **Fordell School Closed 9 June**

Genesis Planned Power Outage.  
 Power will be out on the 9<sup>th</sup> June 2021  
 from 8.45am -3.30pm.

## More Parenting Tips About Online Safety from Netsafe

As young people use more digital technology, it's important parents teach them about online safety. While there might be a gap between what your child knows and how much you know about technology, you don't have to be a tech expert to help. You can offer life skills, maturity and experience your child hasn't developed yet.

So how do you get started?

Netsafe has put these tips together to help parents and whānau to talk to their young people about online safety.

### 5 TIPS TO HELP YOUR CHILD THRIVE

- 1. Keep it locked:** Passwords and pin codes help protect your child's profiles and accounts. Set up pins and passwords with them – and reinforce they shouldn't share it with anyone except you. Get more information at [netsafe.org.nz/passwords](https://netsafe.org.nz/passwords)
- 2. Keep it private:** Some information when sharing publicly online can make your child more vulnerable to identify theft or grooming. It's important to be cautious when sharing:
  - Passwords
  - Address
  - Birthdate
  - Bank account details
  - School details
  - Their location on apps
  - Personal information that can be used to guess security questions
- 3. Keep it helpful:** A digital footprint is the trail of electronic breadcrumbs you leave behind online and it needs to be managed carefully. It can last long after they think something has been deleted and may follow them into adulthood. Learn more at [netsafe.org.nz/digital-footprint](https://netsafe.org.nz/digital-footprint)
- 4. Keep it real:** It can seem like common knowledge to adults, but it is hard for children to understand that not everyone is who they say they are. It can be exciting when people want to friend, communicate, or follow them. Talk to your child about invites or conversations with strangers, why this is not safe and how they should handle it.
- 5. Keep it friendly:** Teach your child to be kind and respectful online, and to be careful talking to, or sharing information with people they do not know.

We warmly wish the following students and fabulous office administrator a very happy birthday.

Monday 17 May – Samuel Macrae  
Thursday 20 May – Xavier Gardiner  
Friday 21 May – Jaxson Smith  
Saturday 22 May – Juanita Forlong  
Sunday 23 May – Nathan Vincent  
Wednesday 26 May – Kahukura McMenamin

### Fordell Fundraising Committee Needs Your HELP

Working Bee at Fordell School – splitting wood, bark for playground, sand in sand pit, library set up, and gardening around the school  
Saturday 12<sup>th</sup> June 1-5pm followed by a BBQ from 4pm.

Please contact the school office if you can help.  
Attached to this flyer is more information for you.

## Adrenalin Forest

As part of the Tuia Challenge the Year 7 & 8's tackled the aerial obstacle course at Adrenalin Forest. Students showcased their resilience muscles and was great to see students stepping outside of their comfort zones to complete the course.

Well done to all Year 7 & 8s, they were a pleasure to take.

# Room 2

We have been loving learning about how people lived in Medieval Times, as a part of our Inquiry this term! It has been awesome learning all about Castles, Kings and Queens and it has been a great opportunity for us to learn some new interesting words and practice our creative writing. Here are some of our narratives we have been working on, come into Room 2 to check out some more!

Once upon a time there was a princess who lived in a castle. One day the princess went for a walk and saw an egg that turned into a dinosaur. It got out of its egg. The dinosaur was thirsty so it went to a stream. The princess called the Titanic. It came and chased away the dinosaur. By Tom

Once upon a time there was a knight. His staff was made out of iron. He was as strong as a digger. The knights were eating their lunch when a dragon came. The knights got the army and they killed the dragon. The end.

By Jackson

Once upon a time there was a princess. She lived in a vine castle with roses. She was as brave as a bull. One day a dog was grazing in the meadow but the dog turned into a dragon. Then it came rushing down the road. The knight had some dog food and lured the dragon out. They lived happily ever after and the dog ran into the forest.

By Esme

My Princess is as pretty as a rose and has a rose dress. She also had a vine and rose castle. One day the princess went out for a walk. She saw a dog that turned into a dragon. The princess ran to the castle. The king called the knight, the knight came straight away but got eaten by the dragon. The princess found a magic bone that turned the dragon back into a dog. By Ella
