Tēnā koutou, nau mai, harere mai. This term has sure gone by quickly – hard to believe we are half way through the year. In Fordell fashion we never do things by halves but have had another learning fun filled term. Just a few of the highlights from this term have been interschool hockey tournament, fundraising working bee, Adrenaline Forest, Book Week activities, story teller visits, Book Fair, the Fordell Feast, production practices, medieval inquiries (check out some of this in the classrooms)... along with our continued focus on literacy and numeracy learning. Wow what another great term. We believe at Fordell School we can create memorable memories while we are learning ☺

**Mid-Year Learner Reports** - These came home on Wednesday. If you haven't seen your child's Mid-Year Report please check their bag. If you have any questions regarding your child's learning please see their teacher, we don't expect you to wait until conferences but have an open door at all times. We will be having Student Learning Conferences next term where you will hear more about your child's learning and wellbeing.

**Winning House for Book Week** - A huge congratulations to **Kowhai House** for winning the Fordell School House Shield for Book Week. Kowhai House nearly won all the events and activities during Book Week. Great team work Kowhai, this is well deserved ☺

**Social Discipline Window** - Part of the Restorative Practices at Fordell School is the Social Discipline Window, which is made up of four sections. The four sections are represented as different combinations of high or low structures/expectations and high or low support. The restorative domain combines both high structures/expectations and high support and is characterised by doing things **with** people, rather than **to** them or **for** them. Research tells us that "human beings are happier, more cooperative and productive, and **more likely to make positive changes in their behaviour when those in positions of authority do things with them**, rather than to them or for them" ☺

I'm so nervous that my heart is shivering. Someone is coming towards me on their horse. The click clack is really close. Boom! I'm off the horse and on the ground.

Marcus

Maddix

Isabelle

The knight is charging and I am nervous! I can feel my heart beating! I can hear people cheering! Bang! The enemies wont come back.

I am scared and confused. I just knocked someone off their horse. I can hear the horses, cheering and shouting. I'm ok.

Henry

In Room 2 we have been looking at how different people in Medieval times lived. We have loved learning about Knights and have been having a blast developing our throwing and catching by playing fun games like protect the castle. We have also been learning lots of interesting facts about knights which we have been able to use in our writing and art.

Here are some of our pieces on jousting. Come and have a look in Room 2 to see more.

Jackson

I can hear people charging at me. The knights are watching me. I can see people looking at me. I'm scarred that I might get hurt.

Alice-Rose

My knight is as fast is a mouse. He is as strong as gold.

Connor

Gracie

I feel scared would you feel scared? I can see the king and I can see the queen. Everyone is cheering and shouting. Now I am jousting. Boomph clatter boomph boomph! I got the other person.
