*Tēnā koutou, nau mai, harere mai. Welcome back to Term 3 and the new families that have joined Fordell School. We are all getting super excited with the performance of the Fordell School Production of **"What a Knight"** happening next week. (Wednesday and Thursday). Production is always a busy time but a time that all the staff thoroughly enjoy – we enjoy seeing our students shine in a different way than they would in the*

classroom or on the sports field. It is also an opportunity for students to be part of a large team where each person (regardless of the size of their role) is an important part to the final product/performance. It is an opportunity for our fabulous Fordellians to really showcase our Fordell Values; Courage, Compassion, Respect and Responsibility. We all look forward to seeing you at the performances next week, please remember to bring along family, friends and neighbours – our students have worked

hard and are looking forward to their time on stage ☺

Term 3 Happenings – Please keep an eye out for the "Fordell Dates Coming Up" section in the Fordell Flyer. As new activities and events come to our attention, we like to let you know as soon as we can. Some big things for this term are: Fordell School Speech Competition (all our students perform speeches), Cluster Speech Competition, Fordell School Cross Country, Cluster Cross Country, Interschool Dance Competition, Student Conferences, PB4L Whole School Reward Trip.

Have a fantastic weekend – Yvette Moorhouse, Principal.

Literacy in Room 3

In Room 3 we love our literacy learning! Every morning we sing our ABC action song and practice reading and writing our letter sounds with flashcards and mini whiteboards.

We do independent activities to practice our letter sounds, letter formation, sounding out words and reading books and poems. We have teacher time at the teacher table and buddy reading time.

We write in our writing books, on the whiteboards or on our art works.

WE LOVE LITERACY IN ROOM 3!

"Community partnership creating confident, connected life-long learners"

ROOM 4 FITNESS

Room 4 have been training for cross country. They have been doing a mix of runs and fitness circuits.
