*Tēnā koutou, nau mai, harere mai. Here we are already heading into a busy Term 4. We do ask you to please ensure you are keeping an eye out for notices, which we email, send home and place on the Fordell Facebook page, under our current environment things are changing quickly – either being cancelled or postponed. We are endeavoring to keep doing as much as we are able to under our current Delta Alert Level 2. It was wonderful that we were still able to go ahead with our Pet and Ag Days. It did mean that we had to slightly adapt so that we could be within the regulations of Delta Alert Level 2. Thank you for supporting us in this and recognizing that it is about our students and that they could still show their lambs and calves that they had all put an immense amount of time into. Please keep an eye out of the Facebook page of photos from Pet and Ag Day.*

## **Fordell School Young Farmer - This**

*week saw all our Fordell students running through our Young Farmers course. Loads of laughter and supporting cheers could be heard from those waiting their turn. The heat times were very close which shows how talented and skilled our Fordell young farmers are.*

*This year students dragged a wool fadge, worked with a 'wild' duck, hammering in nails, throwing gumboots, tackled a course with the wheelbarrow, and drenching a sheep.*

*On Ag Day, Friday 29 October, we will have our finals where the course will have a few extra components to it. I wonder who will win the cups this year?*
