

Fordell School

# Fordell Flyer

21 Budge Street, Fordell, Whanganui. Ph: 3427828, officeadmin@fordell.school.nz

Tēnā koutou, nau mai, harere mai. A warm welcome back to Term 2 and our new families that have joined Fordell School. As you all know we have returned to school under a change of the Covid Protection Framework – The Traffic Light System – and are now operating in **Orange**. In orange this means we still are strongly encouraged to continue with physical distancing where possible. We can hold gatherings so long as these can be held outdoors or in well-ventilated areas. Regarding mask wearing for our students, we **highly recommend that students continue to wear masks when indoors** and when working closely together. At Fordell School **only 30% of our students have had Covid**. There are no restrictions on numbers of visitors on site, however you are strongly encouraged to wear a mask when indoors. **We welcome and enjoying seeing our families and friends in and around the school** – please do not feel that you are not able to come into school or your child's classroom. We thank you for contacting the school if your child has had Covid, or contracts Covid.

**2022 Deputy House Leaders** – We were excited this week to announce our Deputy House Leaders for 2022. This has been a long process that has been led by our current House Leaders. Our

House Leaders thank all applicants for applying and could see great skills from each one of you, this made their job very difficult. What it also shows is that we see we have a great number of skilled students who are not afraid of taking on leadership roles.

A **huge congratulations to our 2022 Deputy House Leaders on their appointment:**

**Kowhai House: Janke Venter**

**Rata House: Annabel Dwyer**

**Tawa House: Matthew Grice**

**Miro House: Emma Vincent**

ROOM 2 HAVE BEEN LEARNING HAND-EYE  
COORDINATION SKILLS DURING THEIR TENNIS  
LESSONS. HAVE A LOOK!

*"Community partnership creating confident, connected life-long learners"*

# ROOM 4

## WRITING

In Room 4 we have been learning how to write complex sentences. To show this we had to write a 100 word challenge using this prompt:

---

Centuries ago there was a witch that dropped her most powerful weapon, an iron. Legend says that whoever can pick it up is the chosen one.

Ellie was a regular teenage girl hanging out with her friends at the market and saw the big crowd she walked over to it to watch the people trying to lift the iron. Then there was a loud bang!!!

The witch had returned everyone ran in panic, yet Ellie didn't she was slowly walking towards the iron. When she got there she lifted it up with all her might, and it was glowing she was the chosen one the witch looked shocked then Ellie pointed it at the a witch and send a laser beam right at her then the witch disappeared.

Ellie became famous worldwide her title was iron girl.

By Lily

There was a crazy war going on in space between the galaxy defenders and the galactic warlords. Captain steal and the black conqueror were fighting, while they were fighting captain steal dropped his shield and it landed on earth. It landed in a worksite where they were building a house out of brick. Although there were workers where the shield landed, they didn't notice because they weren't looking where it landed. Captain Steel started flying down to earth to find his shield ,but little did he know he was bringing his war to earth. Even though he found his shield now he had to fight the black conquer on earth. They fought for hours they broke an entire city but eventually the fight ended and captain steal came out victorious. Captain steel helped the citizens rebuild the city and within a day it was rebuilt. The citizens thanked Capitan steel and he flew back to his planet and they all lived happily ever after.
